

Insurance Policy

Connect with Gather My Crew has worked with Vero Insurance Limited and JMD Ross Insurance Brokers Pty Ltd to establish a suite of covers that are made available to all Crew Members and Crew Leads when providing support through the **Connect with Gather My Crew** platform.

The Volunteer Workers Insurance cover made available to Crew Members and Crew Leads is to cover any injury, harm and/or property damage that arises in the course of providing support as part of a Support Crew through the **Connect with Gather My Crew** platform.

Please see website for further details of the insurance cover.

The cover includes any injury, harm and/or property damage (in accordance with, and as detailed in, the relevant policies, available on the website). Please note this insurance cover only applies for support that is arranged through the **Connect with Gather My Crew** platform. You will not be covered for work arranged outside the **Connect with Gather My Crew** platform.

What could void my insurance?

We always endeavour to act in the best interests of all of our users when things go wrong. This means that we will always use our best endeavours to draw on our insurance cover (as outlined above) to help resolve incidents.

Times when the insurance listed above may not cover a particular claim or incident include:

- is if there is negligent or unlawful activity surrounding the incident;
- when users were acting outside the bounds of our agreements, Code of Conduct, policy statements and procedures; or
- any circumstances that are excluded by, or outside of the scope of, the policies (as detailed in the relevant policies, available at the links above).
